

## M'NARY SLATED FOR DELEGATE

All of the 12 precincts in El Paso county held meetings Saturday night and named delegates to the county convention, according to W. H. Case, secretary of the county Republican committee. All delegates are unopposed.

James G. McNary will be named delegate to the national Republican convention at Chicago from the west end of the 14th congressional district, Mr. Case said. The contest in the west end of the district is between G. A. Harris of San Antonio and Bert J. McDowell.

Frank H. Stuart, county chairman, will be temporary chairman of the meeting and will call the meeting to order at 11 o'clock Tuesday morning in the county court house.

The county has 12 votes in the district convention, to be held at Del Rio May 8, Mr. Case said, and the same number at the state convention, at San Antonio May 13. There are 12 votes in the district convention.

The 14th district is the largest district in point of territory in the state, Mr. Case said, and second only to the 14th San Antonio district, in voting strength. The 14th district has 12 votes.

All delegates were instructed at the precinct meetings, according to reports. It is expected uninstructed delegates will be sent to the district and state conventions from El Paso county.

## Thomason and Wilson Win In El Paso County

With control of the county Democratic convention Tuesday afternoon by the anti-Bailey faction certain, pro-administration leaders Monday morning held 40 of the 54 convention votes apparently were assured their side.

As the returns from Saturday's precinct conventions became more complete, they revealed the state of the sweeping victory for the administration forces as opposed to those supporting senator J. W. Bailey, who is leading the Texas fight on the administration. Most of the precincts which endorsed the candidacy of H. R. Thomason. Similarly, the anti-administration precincts, in most part, declared for Bailey. It was said, Mr. Thomason not only was elected a delegate from his own precinct to the county convention, but he was complimented with selection as a delegate from other precincts, according to Democratic administration headquarters.

**New Precincts Created.**  
Due to the fact that 12 additional precincts have been created in El Paso county since the general election of 1918, upon which voting strength is based, it is probable that the votes allowed each precinct will not be determined until the convention has been called to order.

Unofficially, it is said, however, that each precinct will be allowed one convention vote for each 15 votes cast in the last general election. However, it is said, each precinct will have at least one vote, regardless whether 15 were cast in the general election, and will have one vote for each 15 cast for each major fraction vote.

Based on such a estimate, only one precinct in the county will have more than one vote, the one being Fabens, which is to have three.

**No State Decided On.**  
No state has openly been declared for the El Paso county delegation to the state convention at Dallas, May 12. Mr. J. P. Burgess, an administration supporter, is candidate for delegate from the 15th congressional district, and as there appears to be little or no opposition in this district, the delegates representing state probably will be chosen from the east end of the 15th district.

**Thomason Wins Thanks.**  
Joe M. Nelson, El Paso county chairman of the Democratic administration executive committee, Sunday received the following message from Jasper N. Collins, secretary of the state committee, Dallas:

"Variable landslide for administration. Bailey has not carried a single county heard from. We are sure of at least 1200 convention votes."

A telegram from H. R. Thomason, of El Paso, candidate for governor, who said he was leaving Gainesville for Dallas Sunday night, asked that his friends be thanked for their successful work in his behalf in his home county.

El Paso county supporters of Mr. Thomason and national administration, who desire to be delegates to the Democratic state convention in Dallas, May 23, Monday were called on to send their names to the office of L. E. Thomason & McDuffy, at Richard F. Burgess, before noon Tuesday.

**MUCH INTEREST IN TEXAS REPUBLICAN CONVENTIONS**  
Fort Worth, Texas, May 2.—Reports received at headquarters of the Texas Republican county indicate widespread interest in the conventions of that party held throughout the state Saturday.

No presidential candidates were voted for and no issues were involved. The conventions were attended by leading business men and in Fort Worth more than 50 former Democratic leaders were elected delegates to the county convention.

The negroes held separate conventions in Tarrant and many other counties.

**BIG SPRING FOR WILSON.**  
Big Spring, Texas, May 2.—The Democratic precinct convention at Big Spring was instructed for the national administration.

## BOOMS LOOPER FOR PRESIDENT

The Hoover boom is spreading like wildfire over the country, according to W. Ward Smith, who is organizing state-wide over the south in the interest of the former food administrator's candidacy for the Republican nomination for president.

Mr. Smith was in El Paso Sunday as the guest of John Regan, assistant manager of the chamber of commerce. Mr. Regan was director of the educational department of the Texas state food administration, under E. A. Faden, of Houston, and it largely was through his efforts that the food administration the Hoover campaign is being staged.

Mr. Smith said he was in El Paso to confer with Mr. Faden, who is understood, will be named chairman of the Hoover organization in this state.

Hoover is assured a large vote in Tennessee, Kentucky, North Carolina, West Virginia and a strong fighting chance in Georgia and Louisiana, Mr. Smith says. In New Mexico the cities of Albuquerque and Santa Fe have been organized.

In the Democratic state organization of the Hoover movement will be along the line of Hoover clubs for the purpose of creating sentiment for the former food administrator. Mr. Smith said the women vote of the country would do much toward electing Mr. Hoover.

publican party on the part of sound American sentiment on the other. The party leaders are seeking some program which would restore confidence in the party conservatism without forcing another election such as brought defeat in 1912 and in 1916.

**Not An Easy Problem.**  
Nor has it been an easy problem to solve. It may be comparatively easy at the proper time to defeat the candidacy of Johnson and of Wood, but it is not easy to pick a stalwart figure to head the ticket and at the same time avoid the risk of a split.

El Paso candidates have been discussed in Washington and an often discussed as impossible. Judge Hughes as a candidate has often been discussed, and then there is Lowden. Before the Ohio primary Harding looked like a good bet. And, although the El Paso stock will move take a sudden jump, it is by no means certain that he will be a serious candidate. His outstanding qualifications seem to be that he is a bitter-ender with respect to the treaty, along with Johnson, and this might please Johnson in that respect. But he is the antithesis of the Californian in every other particular, and nothing seems more incongruous to impartial observers here than a ticket with Knox at the head and Johnson at the foot of it. Nor does it seem reasonable that Johnson would consent to any such proposition.

**MIT SIMS COMES OUT FOR GOVERNOR OF ARIZONA**  
Phoenix, Ariz., May 2.—Mr. Sims, secretary of the state, last night definitely announced reports that he would be a candidate for governor of Arizona, subject to the Democratic primaries. He is a rancher of Graham county; was state treasurer, 1914 to 1916, and in 1916 was elected secretary.

**JOHNSON JERSEY CONTEST ABANDONED BY MANAGERS**  
New York, May 2.—No effort will be made by the forces supporting senator Johnson for president to take \$10,000 to meet a similar offer from the forces of Gen. Wood to guarantee the expense of a recount of primary ballots in New Jersey. A. C. Joy, assistant eastern manager of the Johnson campaign, announced today.

**INDIANA CAMPAIGN ENDS: CANDIDATES MAKE SPEECHES**  
Indianapolis, Ind., May 2.—With three or four Republican candidates for the presidential nomination speaking in Indiana today the campaign for the preferential vote of the state was brought to a whirlwind finish, preparatory to the voting tomorrow.

Senator Johnson, senator Harding and Gen. Wood were on their campaigns, but governor Lowden, the fourth Republican candidate on the Indiana ballot, had no address announced. There are no candidates for the Democratic nomination for president.

**CANTILLO, TEX. PRECINCT ENDORSES ADMINISTRATION**  
Cantillo, Texas, May 2.—Cantillo, precinct No. 22, elected an instructed delegation to the El Paso county convention, consisting of the following: Sam R. Gillett, F. G. Balk and Miss Harry Rishberger, and the following alternates: H. H. Baker, M. R. Hembey and Mrs. H. L. Gae.

These delegates were elected unanimously, and the administration was endorsed and H. R. Thomason is choice in the gubernatorial race.

**PRESIDIO COUNTY DELEGATES TO BACK ADMINISTRATION**  
Marfa, Texas, May 2.—The precinct conventions held in Presidio county, for the purpose of electing delegates to the county Democratic convention, on May 4, overwhelmingly instructed these delegates to take such action as will tend to uphold and endorse the present Democratic administration, both national and state. The Presidio county delegate to the state convention will be similarly instructed.

**Says Fire Insurance First Paid in Babylon**  
BOSTON, Mass., May 2.—The first insurance on record was paid in 2258 B. C. in Babylon.

Fred S. Smith, of Boston, told members of the National Association of Cotton Manufacturers that Hammurabi was king of Babylon when the levy was made on the people there to aid others who had suffered fire loss. It was not until the seventeenth century, he said, that insurance by voluntary premium contributions was instituted.

## Y. Gets Summer Camp In Shape At Cloudcroft

Facilities that promise a glorious summer for the lucky campers have been recently installed at the Y. M. C. A. camp near Cloudcroft in the Sacramento mountains. Cottages and buildings on the site, which includes 100 acres of woodland, have been converted into sleeping and living quarters. A specially prepared athletic field, basketball diamond, running track, volleyball and tennis courts, will be permanent features of the camp. Hot and cold shower baths have also been installed.

There will be a leader in charge of every eight boys, each of whom will be given a period of two weeks. There is no system of camp government, excepting a "campfire court" and the boys make their own laws as they are necessary. No fire arms will be allowed on camp premises and the chores about the camp, such as dishwashing, will be done by relay teams so that each boy will have his share of work and play.

A library of more than 200 books will be maintained as a substitution of the public library. "Kamp Whalumaki" has been created to meet two needs, that of training leaders for boy work in Sunday schools, Boy Scouts, Boy Clubs and similar fields, and secondly, to provide a wholesome and charming building outfit for minimum cost for El Paso boys between 11 and 20 years of age.

**EL PASO ASKS FEDERATION OF LABOR MEET IN 1922**  
J. L. Hauswald, Frank Hall and Wade Schaeffer have returned from Cleburne, where they attended the annual convention of the Texas Federation of Labor Union, which was held here from May 1 to May 3.

Mr. Hauswald, invited the convention to meet here in 1922. Mr. Schaeffer was elected vice president of the federation for this district and Mr. Hauswald was named sergeant at arms.

About 500 attended the Cleburne meeting. One resolution, which was initiated by the El Paso delegation and which was adopted, was that the union should be a union of all workers, and that the state regularly inspect all steam boilers and force to cease operation of all condemned boilers.

The convention rejected a resolution endorsing efforts being made for the El Paso strike. The El Paso strike was not mentioned.

## 10 DAY BORDER PERMITS ISSUED

The one day border permit is a thing of the past.

Hereafter tourists desiring to visit Juarez will be given 10 day permits upon proper identification.

Decision of immigration officials here to issue the 10 day permit has been announced. Officials there say that unless the present intention is changed there will be no charge for the regular fee charge for other permits still will be in force. At the American immigration station an index of names of persons to whom permits are issued will be kept in order to avoid the issuance of more than one 10 day permit to one person.

"We will issue either the regular border permit cards to persons who have business in Juarez or the tourist 10 day cards to bona fide tourists," one official said, "but in making this change we risk ourselves the El Paso residents who run across the river daily. Only properly identified persons may obtain cards now."

## Fire At Camp Travis Blamed On Incendiary

San Antonio, Texas, May 2.—Fire, declared to have been of incendiary origin, the damage estimated at \$100,000 in an ordnance department warehouse at Camp Travis, near here, Sunday, killed, machine guns and various new equipment valued at \$75,000, were stored in the building. With the approach of May day, a warning to guard against possible plots to destroy the camp was passed among officers, firemen and military police. It was said at the camp.

Major Gen. James G. Harbord, commander of the camp, announced that he would appoint a board of inquiry to investigate the conflagration.

The fact that the mass apparently started underneath the building, he believed to eliminate the theory that the building was struck by lightning during a storm, it was said.
